LETTER FROM THE PRESIDENT AND CEO

Dear Members and Friends of the Business Council,

It is an honor to serve as the new President and CEO of the U.S.-Saudi Business Council (USSBC). I extend my sincere gratitude to the Board of Directors, Council members, and staff for their support and confidence.

I am excited to engage with our members, collaborate with valued partners, and explore innovative strategies for the Council. In the coming years, the economic, business, and commercial ties between Saudi Arabia and the United States will be more important and impactful than ever.

For over three decades, the USSBC has been the only organization dedicated exclusively to strengthening trade and investment between the two nations. With billions of dollars in USSBC-supported investment, partnership and export successes, we take pride in continuing this essential role.

In 2024, we achieved significant success across a broad spectrum of events, programs, and opportunities through collaborations with prominent Saudi entities, including the Saudi Ministry of Industry and Mineral Resources, the Saudi Ministry of Investment, the General Authority for Foreign Trade, and many others. These efforts were further bolstered by partnerships with leading companies and private sector organizations from both nations.

Through 2025 and beyond, the Council will continue to advance your business objectives, support Vision 2030 priorities, promote new market opportunities to U.S. and Saudi companies, provide top-tier market intelligence, and enhance the U.S.-Saudi bilateral business relationship. On behalf of the Council's Board of Directors and the entire team, thank you for your continued support.

CHARLES S. HALLAB
President and CEO
U.S.-Saudi Business Council

U.S.-Saudi Business Council Celebrates 30th Anniversary of Founding

As part of the year-long commemoration of its 30th Anniversary, the U.S.-Saudi Business Council (USSBC) held an executive dinner and reception, which brought together distinguished leaders who have been instrumental in shaping the Council, including board members and senior executives from our esteemed membership. Held on May 8th in Houston, the occasion celebrated three decades of thriving partnerships and shared achievements.

Abdallah Jum'ah, USSBC Saudi Co-Chairman and Chairman of the Saudi Investment Bank, delivers remarks at our 30th Anniversary Dinner in Houston.

Remarks were delivered by Abdallah Jum'ah, USSBC Saudi Co-Chairman and Chairman of the Saudi Investment Bank; Rasheed Al-Rushaid, Al-Rushaid Group Chairman, President, & CEO, and Interim CEO Susanne Lendman. Other distinguished guests included Aramco Americas President Nabeel AlAfaleg, Consul General Shafi Al-Otaibi of the Consulate General of Saudi Arabia - Houston, as well as executives from the Council's Board of Directors and long-standing members. The evening concluded with an MOU signing ceremony between USSBC Saudi Chairman's Circle member, Front End Limited, and IonQ, a prominent U.S. quantum computing company.

Rasheed Al-Rushaid, Chairman, President & CEO of Al-Rushaid Group, Platinum Sponsor and Board Member.

Over the past three decades, the USSBC has achieved significant milestones, facilitating billions in cross-border USSBC-supported foreign direct investments and exports. The Council has contributed to over 400 success stories and engaged more than 30,000 clients and business executives. For three decades, the Council's achievements encompass:

- ▶ **500+** Business Promotion Seminars and Networking Events in the U.S. and Saudi Arabia
- ▶ **70+** Business Development Missions to Saudi Arabia
- ▶ 4 USSBC Plenary Conferences in Washington, D.C. and Riyadh (1995-1999)
- ▶ U.S.-Saudi Investment Forum, Washington, D.C. (2015)
- ▶ U.S.-Saudi Healthcare Forum, Boston (2017)
- ▶ Localization, Innovation, and Partnership Opportunities for Saudi Industrial Development, LA (2016)

USSBC Supports Visit of Ministry of Industry and Mineral Resources to the U.S.

From September 25-27, 2024, the Business Council organized a series of programs and meetings during the visit of the Saudi Ministry of Industry and Mineral Resources (MIM) to the U.S. The Saudi delegation, led by H.E. Bandar AlKhorayef, Minister of MIM, and H.E. Khalid AlMudaifer, Vice Minister of MIM, participated in MINExpo 2024 in Las Vegas, where the Council facilitated targeted floor meetings, site visits, and a gala dinner. During the visit, the USSBC facilitated the signing of a Memorandum of Understanding (MOU) between Mussel Polymers, Inc. and Almajdouie Group, which sets the foundation for a new polymers manufacturing plant in Saudi Arabia. MIM's trip concluded in Los Angeles with an executive networking briefing.

USSBC, MISA Foster Business Development Opportunities in Saudi Manufacturing Sector at Houston Roundtable

On December 10, 2024, the Business Council, in collaboration with the Ministry of Investment Saudi Arabia (MISA), hosted an exclusive Executive Roundtable in Houston. The event brought together senior representatives from leading U.S. companies and Saudi Government executives in the industrial sector to explore significant opportunities within Saudi Arabia's thriving manufacturing sector. The MISA delegation was led by Abdullah Alkhodair, Associate Director of MISA's Americas Office, and the program included a networking lunch and one-on-one meetings, offering attendees ample opportunities to connect with MISA officials and other participants.

USSBC, Chamber Host 2024 TIFA Business Roundtable

Representatives from the USTR and GAFT, including H.E. Abdulaziz Alsakran, Deputy Governor of International Trade, participate in the TIFA meetings, providing a forum for open dialogue on current trade and investment topics.

On June 28, 2024, the USSBC, in partnership with the U.S. Chamber of Commerce hosted a Business Roundtable alongside the 8th U.S.-Saudi Trade and Investment Framework Agreement (TIFA) meeting between the U.S. and Saudi Government delegations led by the United States Trade Representative (USTR) and the Saudi General Authority of Foreign Trade (GAFT).

The roundtable aimed to enhance bilateral economic ties between the United States and Saudi Arabia, serving as a platform to discuss business opportunities and challenges, foster collaboration, and overall contribute towards promoting trade and investment between the two countries' business communities. The event was attended by over 115 representatives of U.S. and Saudi private sector and government agencies.

Business Council, GACA Promote Latest Developments and Opportunities in the Saudi Aviation Sector

USSBC Interim President & CEO Susanne Lendman welcomes guests to the GACA partnership event on Saudi aviation opportunities.

On February 28, 2024, the USSBC partnered with the General Authority of Civil Aviation (GACA), and organized a high-level program consisting of presentations, luncheon and one-on-one meetings in Irvine, CA. The GACA delegation, led by H.E. Abdulaziz Al-Duailej, held discussions with more than 140 attendees, including over 100 U.S. C-suite executives and representatives from large Fortune 500 companies and SMEs from matarat holding, the Public Investment Fund, Saudi Air Navigation Services, Saudia Cargo, Riyadh Air & other key Saudi Aviation stakeholders Participants. Participants represented areas such as airport architecture, engineering, planning and operations, cargo facilities development, management and construction, among others.

COUNCIL MISSIONS AND EVENTS

USSBC Leads Delegation of U.S. Mining and Manufacturing Companies to Future Minerals Forum in Riyadh

The USSBC led a delegation of six U.S. companies to the 3rd Future Minerals Forum (FMF) in Riyadh on Jan 10-11, 2024. During the Forum, the Council made introductions and arranged one-on-one meetings with key Saudi private sector partners as well as industrial ecosystem enablers including the Ministry of Industry and Minerals Resources (MIM), Ministry of Investment of Saudi Arabia (MISA), the National Industrial Development Program, Ma'aden, among others.

BUSINESS ADVISORY SERVICES

Strengthening and fostering commercial relationships between U.S. and Saudi entities remain central to the Council's mission. We accomplish this through a range of initiatives, including industry conferences, trade missions, and business advisory services customized to the unique needs of each partner. Below are highlights of the Council's success stories from 2024.

SUCCESS STORIES FROM 2024

The Council introduced the Saudi Theater and Performing Arts Commission, under the Ministry of Culture, to a U.S. educational institution. Following continued discussions, the two parties signed a contract in 2024 to develop a Theater Academy, valued at more than **\$100 million**

In early 2024, following facilitation by the USSBC, a U.S. member company engaged in negotiations with Aramco for the procurement of seven unconventional rigs, secured a contract valued at **\$196 million**

In September 2024, the USSBC facilitated the signing of a notable Memorandum of Understanding (MOU) between Mussel Polymers, Inc. and Almajdouie Group during the visit to MINExpo by the Ministry of Industry and Mineral Resources (MIM). The MOU sets the foundation for a new polymers manufacturing plant in Saudi Arabia using Mussel Polymer's propriety innovations in polymer manufacturing.

The Council's expert staff provides a suite of comprehensive, strategic Business Advisory Services that are uniquely tailored to each U.S. or Saudi company – no matter the size, industry, or stage of market development:

- ✓ Market and Economic Research
- ✓ Consulting on Market Strategies
- ✓ In-Market Due Diligence
- ✓ Advising on Cross Cultural Subjects
- ✓ Identifying Market Agents, Partners and Buyers
- ✓ Introductions to Senior-Level Government Officials and Private Sector Executives

Testimonials about the Council's Business Advisory Services and Missions

The Council supports businesses of all sizes and industries, providing customized expertise and strategic connections to help them navigate opportunities and achieve their goals.

Here's what some of our participants have to say:

SHINU THANKACHAN
Chief Director of Global Business Development, ABNG International

"I want to thank the Council for doing a superb job organizing meetings at the Future Projects Forum with the senior executives and decision-makers of Saudi Vision 2030 giga projects and the biggest companies in Saudi Arabia. Indeed, it was an excellent event, very well-organized, and there was plenty of opportunity to network. I look forward to teaming up with you for the next event."

"The business development mission to Dammam and Riyadh has been a rewarding experience, and I am grateful to the Council for its help and support. I especially appreciate the opportunity to meet with key executives and relevant officials within the market, which is otherwise nearly impossible to do."

OCTAVIO MANZANO
President, Apfelbaum Industrial

ECONOMIC RESEARCH

The Council's track record of success also derives from its in-depth economic research products and offerings. Meticulously sourced and frequently cited in media outlets, USSBC publications and reports offer insight and analysis into the latest economic trends, developments, and emerging opportunities for U.S. and Saudi businesses.

A premier publication produced by the Council's in-house economist is the Contract Awards Index (CAI) report, which provides a deeper analysis of major projects, as well as a regional and sectoral breakdown. In addition, the USSBC consistently updates members with Weekly Market Briefs, summarizing the week's major financial and economic news, as well as industry-specific reports.

In tandem with the release of new economic reports, the Council hosts webinars and virtual programs, offering participants the opportunity to engage directly with presenters, make inquiries, and share their own perspectives on topics under discussion.

In 2024, our team produced economic sector reports on:

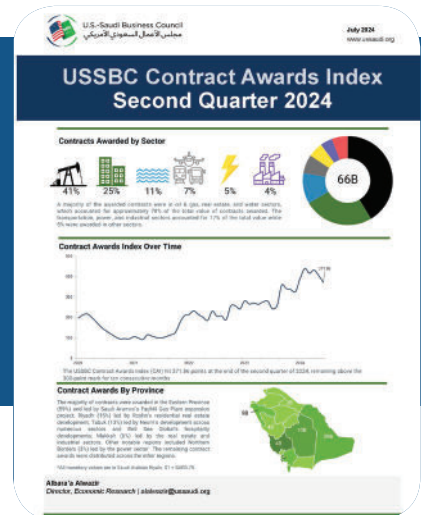

U.S.-Saudi Trade

Saudi Healthcare

Webinars Lead by the Director of Economic Research:

- ▶ USSBC CAI First Quarter Review
- ▶ U.S.-Saudi Trade Review
- ▶ USSBC CAI Second Quarter Review

Customized Research and Analysis

The Council's Economic Research Department provides tailored research papers to its members upon request, covering a wide range of sectors including energy, finance, technology, healthcare, infrastructure, and more. Designed to meet the specific interests and goals of members, these reports deliver practical and focused analyses and underscore the Council's commitment to supporting members through the provision of latest market insight and intelligence.

COMMUNICATIONS AND PUBLIC RELATIONS

In 2024, the USSBC's Communications Team focused on expanding its outreach efforts to better connect with stakeholders. This year, the USSBC emphasized strengthening relationships with Saudi media outlets and trade publications across the United States to enhance visibility and engagement. Additionally, the Council continued to prioritize social media outreach alongside a robust traditional media strategy. These efforts supported the effective promotion of the Council's events, publications, and member initiatives.

The Communications Team works to enhance member visibility, engage with target audiences, and publicize news about its members' and partners' products, services, and innovations to both U.S. and Saudi audiences. Additionally, the Communications Team distributes exclusive publications to its members, such as economic reports, market updates and insights, major industry news, and event announcements.

Media: Successfully pitched **45 print** and **81 online** hits promoting USSBC economic reports, state visits, events, trade missions, etc. across top tier publications such as Al Ekhbariya (On-Air), Arab News, Construction Briefing, Asharq Al-Awsat, Al Riyadh Newspaper, Construction Week, and others.

LinkedIn: The Council added **350 new followers** since the start of 2024 for a total of **10,997 followers** on LinkedIn. The social media platform serves as a forum through which the Council shares news, economic reports, and connects with current and prospective members. The platform also is important to the USSBC's outreach efforts when inviting attendees to events and missions.

Member Brand Visibility:

The Council actively partners with its members to craft and distribute articles that enhance their visibility in various forums. In particular, the Business Council regularly publishes “spotlight” interviews with its members and publicizes them on social media.

PR Services and Media Outreach:

The Council continues to regularly collaborate with the Saudi Press Agency and other press agencies to highlight and promote its members by crafting and distributing interviews, press releases, thought leadership articles, and other media.
